

The Kansas City Flying Disc Club Presents

**Kansas City Ice Bowl XXV - Jan 28-29, 2012 - Rosedale Park**

**Benefitting Bishop Sullivan Center & Harvesters Community Food Network**

The "celebration" portion of the 2012 Ice Bowl, Kansas City's 25th, will once again be on Sunday, when we have the traditional chili contest (please bring your chili), pot luck lunch (please bring chili or other food to share), CTP contest (please donate prizes), and a final nine-hole "money" round in the afternoon from which the winner of each card wins a disc. As in years past, we hope to secure an Ice Bowl beer sponsor.

To play in the final nine, you must have played a qualifying 18-hole round on either Saturday or Sunday morning, turned in your scorecard, and declared your intention to play the final round. The final round will start at approximately 2:30 pm.

On Saturday, there will be two scheduled rounds—at 10 am and 1:30 pm. Please register or check-in no later than 9:30 and 1:00. People may choose their own playing groups of up to six people. Also on Saturday, you may start your round anytime between 8 and 1:30 on the Down Under course.

Mulligans are available for any of the qualifying rounds. Mulligans cannot be used for the final nine.

Remember that an Ice Bowl cannot be postponed because of the weather, and there are no excuses for not attending. Also, wimps and whiners are not welcome.

**You Can Make A Difference**

We hope everyone will support Ice Bowl by buying a package and playing. For those who want to do more, please consider asking your friends and family to support Ice Bowl with donations through the use of the accompanying Pledge Sheet. You can also download it at KCFDC.org.

Please bring food to share: chili (you're automatically entered in the chili contest and could win the grand prize) veggies, side dishes, desserts, chips, etc. The KCFDC will provide beverages, plates, bowls, utensils, etc. A generator will be onsite ensuring power.

Please bring prizes (they don't have to be disc golf related) to donate to the CTP contest.

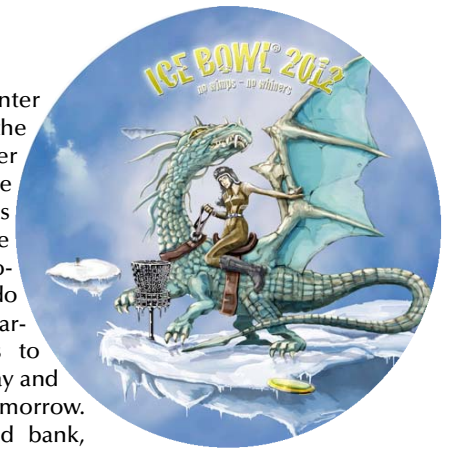

**About Our Charities**

The Bishop Sullivan Center (bishopsullivan.org) is the largest single site provider of emergency assistance in the Kansas City area. Its mission is to provide basic necessities to people who are unable to do so. Harvesters' (harvesters.org) mission is to feed hungry people today and work to end hunger tomorrow. As this area's only food bank, Harvesters is a clearinghouse for the collection and distribution of food and related household products.

Last year we raised \$3000. Our goal this year is \$4,000. An Ice Bowl cannot be postponed because of the weather and there are no excuses for not attending.

Preregistration is encouraged. For more information: Rick at 816.471.3472, 816.914.0094 or rick@discgolfworld.com.
